

Ham Radio Kit Manufacturers

A Short But Significant List
The Pick Of The Crop

*This list does not pretend to
"ever" be complete!*

[Ten-Tec](#)

1185 Dolly Parton Pkwy, Sevierville, TN 37862 USA

Ten-Tec offers a series of receiver, QRP transceiver, and accessory kits that are built just like we did them in the "good old days".

Products:

- The 1300 Series QRP Transceiver Kits
- Model 1254 Superhet Receiver Kit among other kits.
- Ham Radio accessories & other "Fun Kits"

[Elecraft](#)

P.O. Box 69, Aptos, CA 95001-0069 USA

Main Products:

- Elecraft K3 HF/6m, 100-W All-Mode Transceiver—Factory Assembled *or Modular, No-Soldering Kit*
- K2 and K2/100 - Classic All HF Band CW/SSB Transceiver Kits
- They also have other kits to offer.

[Hamtronics](#)

65 Moul Rd., Hilton, NY 14468-9535 USA

Their products are in space (Intl Space Station and satellites).

For the more technically inclined.

- Synthesized and crystal controlled FM exciters & receivers.

[EMTECH](#)

PO Box 296 • Tracyton, WA 98393-0296 USA

- NW Series Monoband CW Transceiver (80, 40, 30, 20 meters)
- ZM-2 ATU (Antenna Tuning Unit)

[JUMA Amateur Radio Kits](#)

- GENESIS G3020: 30m+20m dual band all-mode 5W **SDR** XCVR KIT

The video demos by Josh, VK2FJDX are a delight!

[North Country Radio](#)

PO BOX 200, Hartford NY 12838-0200 USA

An "unbelievable" number of kits for all kinds of purposes.

[Radio Adventures Company](#)

RR #4 Box 240, Summit Drive; Franklin, PA 16323 USA

“Our current product line focuses on code practice receivers, keyers, frequency measurement and control devices, interface equipment for older tube type radios, plus other ham radio equipment.”

[Small Wonders Lab](#)

New Hampshire USA

A supplier of quality transceiver kits for the amateur radio enthusiast ... but running a bit behind in order fulfilment due to relocating in New Hampshire in May 2008.

I suggest you write Dave, K1SWL, before ordering.

[Spectrum Communications](#)

12 WEATHERBURY WAY, DORCHESTER, DORSET, DT1 2EF, ENGLAND

A source of unique kits for amateur radio. Worth investigating.

[Wilderness Radio](#)

P.O. Box 3422 Joplin, MO 64803-3422 USA

Kits aimed specifically at the outdoor QRP enthusiast. All kits have been *field-tested* by members of the NorCal QRP Club.

[Quasar Electronics](#)

Almost 300 kits to choose from. For hobbyists, education and industrial applications.
